Oh Angelina  
You are the sun and the moon  
Every song I ever sang, I stole it from you  
I knew that nothing could tear us apart,  
I never even gave it a second thought  
I was so sure and I was wrong, Now every single thing I  
ever had is gone

Nothing here is set in stone  
Nothing's ever set in stone  
Everything I have some day will fall apart and fade  
away

Oh Angelina  
I learned my lesson this time  
I took you for granted for so long And now I just wanna  
die  
Every thing I ever got, I never even gave it a second  
thought  
I was so sure, I was so sure - Now there's only one thing  
I know for sure

Nothing here is set in stone  
Nothing's ever set in stone  
Everything I have some day will fall apart and fade  
away

[Solo]

Nothing here is set in stone  
Nothing's ever set in stone  
Everything I have some day will fall apart and fade  
away

Nothing here is set in stone  
Nothing's ever set in stone  
Everything I have some day will fall apart and fade  
away

Nothing here is ever set in stone
