You've got nowhere to run
You've got nowhere to hide
I know you won't escape this time
You can't run far enough
You can't run fast enough
You can't outrun my love

Hot Pursuit yeah
I'm coming for you
Hot Pursuit yeah
I'm gaining on you
You're moving fast
But you'll never outlast me
Hot Hot Hot Pursuit yeah

You might think that I
Come on a little strong
I'll tell you woman I
Can't wait too long
So keep your distance now
'Cause time is running out
Until you finally see
You belong to me
You belong to me

Hot Pursuit yeah
I'm coming for you
Hot Pursuit yeah
I'm gaining on you
You're moving fast
But you'll never outlast me
Hot Hot Hot Pursuit yeah

You've got nowhere to run
You've got nowhere to hide
I know you won't escape this time
You can't run far enough
You can't run fast enough
You can't outrun my love

Hot Pursuit yeah

I'm coming for you
Hot Pursuit yeah
I'm gaining on you
You're moving fast
But you'll never outlast me
Hot Pursuit yeah
I'm coming for you
Hot Pursuit yeah
I'm gaining on you
You're moving fast
But you'll never outlast me
Hot Hot Hot Pursuit yeah

Hot Pursuit yeah
Hot Pursuit yeah
Hot Pursuit yeah
Hot Pursuit yeah
