I'm in your head like a rat in the walls.
I'm in your head like a rat in the walls.
I'm in your head like a rat in the walls. Ohh. Ohh.

(Ohh. Ohh)

Every single night when you're lying in bed,
you can hear a scratchin' in the back of your head.
I don't know what I did, but I'm under your skin;
I'm on your mind and you can't get me off.

You try to get away, get away, get away.
You try to get away, get away, get away.
You try to get away, get away, get away, but you keep
coming back.

I'm in your head like a rat in the walls.
I'm in your head like a rat in the walls.
I'm in your head like a rat in the walls. Ohh. Ohh.

Just like a horse coming back to the stable,
I know you want to leave me, but you are unable.
It's instinct now just like ringing a bell; Pavlov would be
proud.

You try to get away, get away, get away.
You try to get away, get away, get away.
You try to get away, get away, get away, but you keep
coming back.

I'm in your head like a rat in the walls.
I'm in your head like a rat in the walls.
I'm in your head like a rat in the walls. Ohh. Ohh.

(Ohh. Ohh)

You try to get away, get away, get away.
You try to get away, get away, get away.
You try to get away, get away, get away, but you keep
coming back.

I'm in your head like a rat in the walls.
I'm in your head like a rat in the walls.
I'm in your head like a rat in the walls. Ohh. Ohh.

I'm in your head like a rat in the walls.
I'm in your head like a rat in the walls
I'm in your head like a rat in the walls. Ohh. Ohh. Ohh.
Ohh.
