Poor child
I want to be your dad
Do you believe in god?
Come cry on my lap
Sweet child
Tell me about your fear
I bring the revelation
Come give me a kiss on the hand
I am a man of god
I love the children
I bring the hope
To all the angels sinner
Beloved child
I am a man of god
Don't be afraid of me
Give me a kiss in face
Hot child
Close your eyes, relax
Give me a kiss on the lips
Now come kiss my sex!
I am a man of god
I love the children
I bring the hope
To all the angels sinner
