Let me  
Let me sit with you beside a street  
Let me  
Let me laugh with you and share your dream  
I'll be your true friend until the end, you can depend on  
me  
So let me, let me, say you let me

Let me  
Let me cheer you when your dreams go past  
Let me  
Let me hold you when your world seems lost  
Let me  
Cause by now you know I love you so (you know I love  
ya)  
Let (let) me (me)  
Let me never ever let you go

Let me, Let me love you girl.  
Let me  
Let me into your world.  
Cause I ain't never felt love like this here.  
Let me take you for a walk, walk in the park.  
Let me hold your hand.  
Let me see you sparkle.  
I desire you entire I don't want no partial.  
Let me asking you something.  
I don't want to startle you.  
If I can hold your hand can I hold your heart.  
Hey! Let me, Just say you let me.  
Let me, Just say you let me.  
Ain't nobody love me quite like you love me girl.  
Body next to your body let me love you girl.  
'Cause I ain't never felt love like this here.  
Let me take you to the beach, eat a peach.  
Let me take you out everyday of the week  
If I know something you don't know, baby, let me  
teach ya.  
Let me, just say you let me. Let me

Cause by now you know I love you so (you know I love  
ya).

Let me Let me. Say you'll let me  
Let me never ever let you go. Let me never ever ever  
ever let you go.  
Let me, let me. Let me, let me, love ya, let me, let me,  
love ya  
Let me, let me. Let me, let me, love ya, let me, let me,  
love ya

Let me let me, say you let me.  
Let me (la la la la la...)

Cause by now you know I love you so (you know I love  
ya).  
Let me  
Let me never ever let you go.  
Let me never ever let you go.  
Let me never ever let you go. Let me, let me, love ya,  
let me, let me, love ya  
Let me never ever let you go. Let me, let me, love ya,  
let me, let me, love ya  
Let me never ever let you go. Let me, let me, love ya,  
let me, let me, love ya  
Let me never ever let you go. Let me, let me, love ya,  
let me, let me, love ya  
Let me never ever let you go. Let me, let me, love ya,  
let me, let me, love ya  
Let me never ever let you go.
