I was as wrong as I could be
To let you get away from me
I'll regret that move for as long as I'm livin'

But now that I've come to see the light
All I wanna do is make things right
So just say the word and tell me that I'm forgiven

You and me, we're gonna be better than we were
before
Loved you then but now I intend
To open up and love you even more
This time, you can be sure

I'm never gonna let you go
I'm gonna hold you in my arms forever
Gonna try and make up for all the times
I hurt you so

Gonna hold your body close to mine
From this day on, we're gonna be together
Oh, I swear this time
I'm never gonna let you go

Lookin' back now, it seems so clear
I had it all when you were here
Oh, you gave it all
And I took it for granted

But if there's some feeling left in you
Some flicker of love that still shines through
Let's talk it out
Let's talk about second chances

Wait and see, it's gonna be sweeter than it was before
I gave some then but now I intend
To dedicate myself to giving more
This time you can be sure

I'm never gonna let you go
I'm gonna hold you in my arms forever
Gonna try and make up for all the times

I hurt you so

Gonna hold your body close to mine
From this day on, we're gonna be together
Oh, I swear this time
I'm never gonna let you go

Oh, so if you'll just say
You want me too

I'm never gonna let you go
I'm gonna hold you in my arms forever
Gonna try and make up for all the times
I hurt you so

Gonna hold your body close to mine
From this day on, we're gonna be together
Oh, I swear this time
I'm never gonna let you go

Never gonna let you go
Hold you in my arms forever
Gonna try and make up for all the times
I hurt you so

Hold your body close to mine
Oh, we're gonna be together
Oh, I swear this time
I'm never gonna let you go
