Night and day
You are the one
Only you beneath the moon
And under the sun

Whether near to me or far
It's no matter
Darling, where you are
I think of you

Night and day
Why is it so
That this longing for you
Follows wherever I go

In the roaring traffic's boom
In the silence of my lonely room
I think of you, you, you, you, you, you

Night and day

Night and day, under the hide of me
There's an oh such a hungry
Yearning burning inside of me

And this torment won't be through
'Til you let me spend my life
Making love to you

Night and day
Day and night
Night and day

Night and day, under the hide of me
There is an oh such a hungry
Yearning burning inside of me

And this torment won't be through
'Til you let me spend my life
Making love to you

Night and day
Day and night
Night and day
Day and night

Night and day
Day and night
Night and day
Day and night

Night and day
Day and night
Night and day
Day and night

Night and day
Day and night
