Kindness is timeless  
Love is so easy to give  
It just takes a moment  
To show somebody that you care  
To show somebody that you care

In the world that we live in  
Everybody wants to be so cruel  
To be in the in-crowd  
Got the hottest clothes, the hottest shoes

Reading the tabloids  
And we're flossing in the club  
But the freshest thing you can do is  
Give someone your love

Kindness is timeless  
Love is so easy to give  
It just takes a moment  
To show somebody that you care

Kindness is timeless  
Love is so easy to give  
It just takes a moment, yeah

To give someone your love  
To give someone your la la la love  
To give someone your love  
Give someone your love, your la la la la love  
Give someone your la la love

The clothes that you're wearing  
They will one day be out of style  
And the car that you're driving  
One day will wax out in miles

Hair and your make up  
And the time that it takes up  
It will take the same care of  
Givin' someone ya love

Kindness is timeless

Love is so easy to give  
It just takes a moment  
To show someone you care

Kindness is timeless  
Love is so easy to give  
It just takes a moment, yeah

To give someone your love  
To give someone your la la la love  
To give someone your love  
Give someone your love, your la la la la love  
Give someone your la la love

Kindness is timeless, yeah  
Love never grows out of style  
Kindness is timeless, yeah  
Love never grows out of style

Kindness is timeless, yeah  
Love never grows out of style  
Kindness is timeless, yeah

Give someone your love  
'Cause kindness is timeless
