"Why"

Why don't I see the light?
Why do I just cause more...
fight-ing...
fight-ing...
I know i'm special
But what does that matter?

Sometimes, I cry
The blackest tears
And I fall into you
Despite all of their cheers
And I cry...
I cry...
Why?

Wrap me in your darkness
And we will sing a song...
We'll thing of everything
Beyond the, beyond the horizon...
But, why?
Why...

Sometimes, I cry
The blackest tears
And I fall into you
Despite all of their cheers
And I cry...
I cry...
Why?

Why?(x10)
I know...
The truth.
