Who's gonna save the world tonight?  
Who's gonna bring you back to life?  
We're gonna make it, you and I  
We're gonna Save The World tonight

There was a time, I used to look into my father's eyes  
In a happy home, I was a king I had a golden throne  
Those days are gone, now the memory's are on the  
wall  
I hear the songs, from the places where I was born

My father said  
Don't you worry, don't you worry child  
Heavens got a plan for you  
Don't you worry, don't you worry child, yeah

We're far from home, it's for the better  
What we dream, it's all that matters  
We're on our way, united

Turn the crowd up now, We'll never back down  
Shoot down a skyline, watch it in primetime  
Turn up the love now, listen up now, turn up the love

Who's gonna save the world tonight?  
Who's gonna bring you back to life?  
We're gonna make it, you and I  
We're gonna Save The World tonight

Don't you worry, don't you worry child  
Heavens got a plan for you  
Don't you worry, don't you worry child  
Who's gonna save the world tonight?  
Who's gonna bring you back to life?

Don't you worry, don't you worry child  
Cuz I'm gonna bring you back to life

Don't you worry, no  
Don't you worry, no

Don't you worry, no  
Don't you worry, no
