Turn around, there's a guy who's waiting  
All alone on the borderline  
If you got a problem I'll try to make it mine  
Turn me loose I'll be your part-time P.A.  
Who's got the moves for when the working day's done  
Move a little closer maybe we can have some fun

Can't you see?  
With your jam-packed schedule  
I'll give you extra time to unwind  
To unwind

I can do all the laundry, baby  
Making sure that your bras aren't dried  
Hang 'em on the doorknob, careful not to melt the  
wires  
When dressing up to do a couples date thing  
I'll even wear one of your birthday ties  
Polka-dot or paisley welcoming your world of style.

Can't you see?  
With your jam-packed schedule  
I'll give you extra time to unwind  
To unwind  
To unwind  
To unwind

Baby get ready cause your dinner's coming  
I did the grocery shopping, pre-heated the oven  
Yeah this cooking thing's not easy, but I think I got the  
gist  
Why don't you sit yourself right down and have a whiff  
of this?

Some call me soft but I don't really mind  
I love you so much wanna give you extra time, time,  
time  
To unwind  
To unwind  
To unwind  
To unwind
