"Taking Us Home"

When I saw the churches
Stained glass was gone
And the boxes were empty
I wondered how long

When I saw the blind man
Who can't see the sun
He talked of his army
And some war they won

He prayed for the future
Prayed for the past
He said his heart still bleeds
For the wife he once had

When I told the blind man
We're all here alone
He said a strong wind
Was taking us home
Was taking us home
Was taking us home
Was taking us home
Was taking us home
