Ah yeah Pepe G once again

I am just amazing with everything that I do  
The only sense of 80s by the trials I all...  
Yeah now getting faded I hard beat  
I'm thinking all I got just made it  
I fly just the sky super dead till I'm faded  
SIO double T that's me, chillin with my boys  
You always fun I set the beach swag the all point  
To get this point put this beach about the jungle  
Like I'm lila... and looking at me  
Like damn you wanna speech like yeah is my judge  
Listen to this niggas preach we go whole bad go  
I head dream big I got that for my goal  
And it took... take the shit of the creator  
I took the step forget it  
One the girls are hate it  
Not to mention I would make it  
I'm so true like a tooth walk it make it,  
The realest of this beat state

Hook:

The niggas wanna fly for those who wanna bite it  
The hood down town,  
Yeah I'm stay cool stay fly for those who wanna head  
Who wanna bake, step aside if you wanna claim  
Stay who, stay fly, for those who wanna bite in the hood  
down town  
I'ma stay cool, stay fly, for those who wanna head  
Who wanna bake, step aside if you wanna claim  
Pimpin in the hood in this real downtown  
Yeah we keepin it pimpin in this hood,  
In this real downtown, yeah we keepin it

Yeah, yeah I'm bad carnal beats  
The greatness you can feel it when it's beats  
The game ain't spit so I endure the situation  
I do it to the step and I fold...  
You hold this in a month but now you wanna mention  
I'm PG, 50 lies of your D's that's your EP  
Lolli told to keep good, that's cool

I've been ready we're so young and blessed  
Yeah we rock and steady I'm on the ship that never sink  
It's like never going fast  
The niggas enough to... cooking up the fire  
Go ahead I smack and slow, niggas wanna test me  
That's why I always smack and flow  
Scot spit fire, wipe yeah yeah we on the road  
Put that city on the map  
Where I be where I step Scot beg is where I meant  
I never rap the city I don't know to get enough
