I walk to where he's sitting
I walk to where he's sitting
It's all salty [2x]
It's all salty salty
(He knows) It's good, it's real, it's pretty
He knows it's good, it's real, it's pretty
It's all salty Timmy [2x]
It's all salty timmy

It's all salty timmy
(He said) Doe [3x]
It's all salty timmy

Dared leave
He said doe doe doe
We've burned the field completely

Ahhh... last light
Dared leave
I feel it's real, it's pretty
We've burned the field completely
It's all salty Timmy [3x]
Ahhh... last light

I feel it's real, it's pretty
(He said) Doe [3x]
It's all salty timmy
It's all salty timmy
It's all salty timmy

He said doe doe doe
