Hag! Coastal cut-throat!
Hag! coastal cut-throat!
You dirty switch,
You dirty switch,
You're on again
You're on again

All night, all night, all night
All night, all night, all night

Under the stars
Under the stars
Under their light
Under their light
All over the girl
All over the girl
Only looks bright
Only looks bright

You're just like a woman
You're just like a woman
Hag
Hag
You're just like a woman
You're just like a woman
You're on again
You're on again

But some...times
But some...times
Under the stars
Under the stars
Under their light
Under their light
You're everything right
You're everything right

You're on again!
You're on again!
Under the stars
Under the stars

Under their light
Under their light
All right
All right
All right
All right
