"New Year"

It's true, true, true...
I know what I want
I know what I want

I am the sun
I am the new year
I'm the way home
I'm the way home

I know what I want
I know what I want

I am the sun
I am the new year
I'm the way home
I'm the way home

We have come for light
Wholly, we have come for light
It's true, true, true...

I know what I want
I know what I want
I am the sun
I am the new year
I am the way home
