Oh  
Oh!  
Last flight  
Last flight  
Get lost in the moss  
Get lost in the moss  
Oh, oh  
And oh, oh  
Fall in the neon mine  
Fall in the neon mine  
Push me down [3x]  
Push me down  
  
Push me down  
Still rolling in the stones  
Push me down  
Run to the log that's rotten  
  
And oh, oh  
Still rolling in the stones  
Your soft belly bossing lows  
Run to the log that's rotten  
Push me down [3x]  
And oh, oh  
  
Your soft belly bossing lows  
Run to the log that's rotten  
Push me down  
Your soft belly bossing lows  
Push me down  
Push me down [3x]  
Push me down  
  
Run to the log that's rotten  
Your soft belly bossing lows  
Push me down  
Push me down  
Push me down
