Ya keep on losing your mind
I'm afraid I can't say the same
Complicated reasons are why
I'm not the one who is left to blame
Your constant crap is what I'm left to use
Can't take this kind of senseless abuse
You're left with nothing else to say
Co-ordinations not the only simple way

(squirm, squirm)
Go home and don't come back
(squirm, squirm)
Go home and don't come back

(squirm, squirm)
Go home and don't come back
(squirm, squirm)
Go home and don't come back

Look at you, you little dirty mindless wreck
Worthless as a minor tiny insect
Crush your body, you're a centipede
Your mixed up yeah,
So reach inside and bleed and bleed
Surely you won't mess with me
I'm telling you this ain't hostility
Confused your judgment, it's insanity
Your jaded by your own immunity

(squirm, squirm)
Go home and don't come back
(squirm, squirm)
Go home and don't come back

(squirm, squirm)
Go home and don't come back
(squirm, squirm)
Go home and don't come back

Confused your judgment, it's insanity
Your jaded by your own immunity
Confused your judgment, it's insanity
Your jaded by your own immunity
Confused your judgment, it's insanity
Your jaded by your own immunity
