Do you know how to find what you're looking for?  
Stuck in a maze of promises, don't know what's real or  
not  
Promise you everything, I'll never lie  
Do you even know what it is you want?  
So how can I even try?

It's all a mistake  
How long will it take?  
When the dreams are all gone  
How long till you wake?  
It's all a mistake  
How long will it take?  
When the dreams are all gone  
How long till you wake?

Don't know how it came to this  
Just try to figure out what to do  
How can he give you what you need  
You think that I can not?  
You're in a state of mind games  
This seems like a checkmate  
None of us will win  
And I don't think I can wait  
It's all a mistake  
How long will it take?  
When the dreams are all gone  
How long till you wake  
It's all a mistake  
How long will it take?  
When the dreams are all gone  
How long till you wake

~ bridge ~

It's all a mistake  
How long will it take?  
When the dreams are all gone

How long till you wake  
It's all a mistake  
How long will it take?  
When the dreams are all gone  
How long till you wake

How long till you wake?  
How long till you wake?  
How long till you wake?
