You wanna take it to the next level
Walkin' among the street and burn like the devil
I don't know what's causin' your rage
Everybody wants to know why, 'cause it's an outrage
Listen up or pay the price, don't know what's nice
You know it ain't right
Madness and hate, you fill your veins
I know you're different 'cause now it's not the same
(huh)

Your recklessness caused you pain
Unfair game or runaway train, barely tamed
Should have been cooped up in a cage
'cause it's an outrage, listen up, that's the way!
Your recklessness caused you pain
Unfair game or runaway train, barely tamed
Should have been cooped up in a cage
'cause it's an outrage, listen up, that's the way!

Night is clear, got no fear
But you're scared to tears
What's up with that ya hear
I don't listen to your problems
'cause I can't solve 'em
And you know that fact be true
I should have left you astray
But I don't have my way, 'cause it's an outrage
You know it's an outrage

Your recklessness caused you pain
Unfair game or runaway train, barely tamed
Should have been cooped up in a cage
'cause it's an outrage, listen up, that's the way!
Your recklessness caused you pain
Unfair game or runaway train, barely tamed
Should have been cooped up in a cage
'cause it's an outrage, listen up, that's the way!

Your recklessness caused you pain

Should have been cooped up in a cage
'cause it's an outrage, listen up, that's the way!
Your recklessness caused you pain
Unfair game or runaway train, barely tamed
Should have been cooped up in a cage
'cause it's an outrage, listen up, that's the way!
