Tonight, Tonight

The way you smile makes everything ok
and when you're near troubles fade away
and when you speak, my
even the winds obey
and it's the only love that makes me high
I wanna see you tonight

tonight, tonight I wanna see you tonight
tonight, tonight I wanna see you tonight
tonight, tonight I wanna see you tonight
tonight, tonight I really need you tonight

The day was long and the bills are due
when can't go on, you know I think of you
life is hard, but your love is true
it's the only love that takes me out
I wanna see you tonight

tonight, tonight I wanna see you tonight (I wanna see
your smiling face)
tonight, tonight I wanna see you tonight (feel your
warm embrace)
tonight, tonight I wanna see you tonight (come by here)
tonight, tonight I really need you tonight

See the more I learn (the more I learn)
is the more I love
I just wanna share my life with you (share it with you)
I need you by my side
everytime I cry
your loving arms will pull me through
and I really wanna see you tonight

tonight, tonight I wanna see you tonight
tonight, tonight I wanna see you tonight
tonight, tonight I wanna see you tonight
tonight, tonight I really need you tonight

tonight, tonight I wanna see you tonight

tonight, tonight I wanna see you tonight
tonight, tonight I wanna see you tonight
tonight, tonight I really need you tonight
