Oh, Mr James Dean
He don't belong to anything
Oh, he left before they could get him
With their ways, their wicked ways

Oh, Marilyn Monroe
Where did you go?
I didn't hear all your stories
I didn't see all your glory

But the footballer's wife tells her troubles and strife
I just don't care in the end
Who is she to pretend that she's one of them?
I don't think so

And the girl from that show
Yes, the one we all know, she thinks she's some kinda
star
Yes, you know who you are
I don't think so, I don't think so

Oh, Ginger Rogers, Fred Astaire
Won't you dance for me?
'Cause I just don't care what's going on today
I think there's something more, something more

And I'm gone with the wind like they were before
But I'm believing myself I think there's something more
There must be something more
I think there's something more, something more

But still the footballer's wife tells her troubles and strife
I just don't care in the end
Who is she to pretend that she's one of them?
I don't think so

And the girl from that show
Yes, the one we all know, she thinks she's some kinda
star
Yes, you know who you are
I don't think so, I don't think so

Oh, I don't believe in the telling of your stories
Throughout your life there's just something
unappealing
It don't catch my eye, it don't catch my eye

Oh, I don't believe in the selling of your glories
Before you leave this life there's so much more to see
I don't believe this is how the world should be

But still the footballer's wife tells her troubles and strife
I just don't care in the end
Who is she to pretend that she's one of them?
I don't think so

And the girl from that show
Yes, the one we all know, she thinks she's some kinda
star
Yes, you know who you are
I don't think so, I don't think so

The footballer's wife tells her troubles and strife
I just don't care in the end
Who is she to pretend that she's one of them?
