Oh, Mr James Dean, he don't belong to anything  
Oh he left before they could get him  
With their ways, their wicked ways  
Oh Marilyn Monroe, where did you go?  
I didn't hear all your stories  
I didn't see all your glory

Chorus:

But the footballer's wife tells her troubles and strife  
I just don't care in the end  
Who is she to pretend  
That she's one of them  
I don't think so  
And the girl from that show  
Yes, the one we all know  
She thinks she's some kind of star  
Yes, you know who you are  
I don't think so, I don't think so

Oh, Ginger Rodgers, Fred Astaire  
Won't you dance for me cos I just don't care  
What's going on today  
I think there's something more, something more  
And I'm gone with the wind like they were before  
But I'm believing myself I think there's something more  
There must be something more  
I think there's something more, something more

Chorus:

But the footballer's wife tells her troubles and strife  
I just don't care in the end  
Who is she to pretend

That she's one of them  
I don't think so  
And the girl from that show  
Yes, the one we all know  
She thinks she's some kind of star  
Yes, you know who you are  
I don't think so, I don't think so

Oh I don't believe in the telling of your stories

Throughout your life, there's just something  
unappealing it don't catch my eye  
It don't catch my eye  
Oh I don't believe in the selling of your glories before  
you leave this life  
There's so much more to see  
I don't believe this is how the world should be

Chorus:

But still the footballer's wife tells her troubles and strife  
I just don't care in the end  
Who is she to pretend  
That she's one of them  
I don't think so  
And the girl from that show  
Yes, the one we all know  
She thinks she's some kind of star  
Yes, you know who you are  
I don't think so, I don't think so

The footballer's wife tells her troubles and strife  
I just don't care in the end  
Who is she to pretend  
That she's one of them
