Coming out of my cage
And I've been doing just fine
Gotta gotta be down
Because I want it all
It started out with a kiss
How did it end up like this
It was only a kiss
It was only a kiss

Now I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking a drag
Now they're going to bed
And my stomach is sick
And it's all in my head

But she's touching his chest now
He takes off her dress now
Letting me go
I just can't look
It's killing me
And taking control

Jealousy
Turning saints into the sea
Swimming through sick lullabies
Choking on your alibis
But it's just the price I paid
Destiny is calling me
Open up my eager eyes
'Cause I'm Mr. Brightside

Coming out of my cage
And I've been doing just fine
Gotta gotta get down
Because I want it all
It started out with a kiss
How did it end up like this
It was only a kiss
It was only a kiss

Now I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking a drag
Now they're going to bed
And my stomach is sick
And it's all in my head

But she's touching his chest now
He takes off her dress now
Letting me go
'Cause I just can't look
It's killing me
And taking control

Jealousy
Turning saints into the sea
Swimming through sick lullabies
Choking on your alibis
But it's just the price I paid
Destiny is calling me
Open up my eager eyes

Jealousy
Turning saints into the sea
Swimming through sick lullabies
Choking on your alibis
But it's just the price I paid
Destiny is calling me
Open up my eager eyes
'Cause I'm Mr. Brightside.
