I never knew you before,
I've been walking around with my eyes on the floor
and know you're everywhere to me,
you are every face that I see, things ain't moving
quick enough for me
I guess I've been
running round town
and leaving my tracks,
burning out rubber
driving too fast
but I got to slow right down
back to the moment the very start,
from the very first day you had my heart
but I got to slow right down; slow it down
down down down
down down down down...
Wishing, wanting for something more
always better than I had before
who knew these dreams would come true
and I run the red, won't stop at night
I don't care for traffic lights
things ain't moving quick enough for me
I guess I've been
running round town
and leaving my tracks,
burning out rubber
driving too fast
but I got to slow right down
back to the moment the very start,
from the very first day you had my heart
but I got to slow right down... slow it down
down down down
down down down down...
