Oh the wind is gently blowing
As the light begins to fade
I'm sick and tired of playing it up
Sick of this parade
And your eyes are gently weeping
As the sun begins to shine
The end is coming far too soon
I wish I had more time

So soon your time will come
Get out while you're still young
May all your dreams come true
For someone like you
So soon your time will come
Get out while you're still young
May all your dreams come true
So happy for you

Oh my eyes are getting tired
As the day begins to break
I left it all so far behind
My biggest mistake
And your smile is not like mine
It disappears from time to time
But I believe in you
Everything you'll ever do

So soon your time will come
Get out while you're still young
May all your dreams come true
For someone like you
So soon your time will come
Get out while you're still young
May all your dreams come true
So happy for you...

So soon your time will come
Get out while you're still young
May all your dreams come true
For someone like you
So soon your time will come
Get out while you're still young

May all your dreams come true
So happy for you...
