I do believe...
You were strong in forming violence!
We were strong performing silence...
I do believe...
You were strong in forming violence!
We were strong performing silence...

We are deceived, all the toys of our convenience,
Opening our hearts to the brilliance
We are deceived, all the toys of our convenience,
Opening our hearts to the brilliance

Love is strong, hearing as loud as gunfire away,
Never wrong, constantly dreaming of another way.

If love is wrong, go ahead and end the world with your
charades.
Never wrong, constantly dreaming of another way.

Can I get some more piano please?

I do believe...
You were strong in forming violence!
We were strong performing silence...
I do believe...
You were strong in forming violence!
We were strong performing silence...

We are deceived, all the toys of our convenience,
Opening our hearts to the brilliance
We are deceived, all the toys of our convenience,
Opening our hearts to the brilliance

Love is strong, hearing as loud as gunfire away,
Never wrong, constantly dreaming of another way

If love is wrong, go ahead and end the world with your
charades.
Never wrong,
Constantly dreaming of another,
Another day day day day day day day day day!

Find me a red bag
One without a tag.
Hope that you are near
Valliantly appear
Find me a red... bag...

Na na na na na...

Love is strong, hearing as loud as gunfire away,
Never wrong, constantly dreaming of another way.

If love is wrong
Go ahead and end the world with it's charades
Never wrong
Constantly dreaming of another
Another day day day day day day day day day!

Find me a red bag
One without a tag
Hope that you are near
Valliantly appear
Find me a red... bag...
