Don't say good bye  
Don't say good bye  
Don't make me cry  
Don't make me cry...

Don't say good bye...

I used to think it was ok  
Now i don't know what could i say  
To make you stay, to stay with me

The love we shared it felt so strong  
But what was wrong i don't know  
So tell me why we have to be alone?

Don't say good bye...  
Don't make me cry...

Chorus :

Don't say good bye  
Don't say good bye  
Don't make me cry  
Don't make me cry...

Don't say good bye...
