I have 38 rifles and a bunch of handguns and
ammunition
8 grenades, in case of scuffles
How do I protect myself, how do I protect myself
Without all that
It's my constitutional; it's my constitutional right
To arm bears

I am the Goddamn trigger
God made guns, so go figure

We are (we are), we are fatter, disgusting obese
overweight fucks
A shot rang, animals scatter, bovine hormone growth
chewy candy

I am the Goddamn trigger
God made guns, so go figure

Darwin never seized this prize
Controlling levels of extinction
Darwin never seized this prize
Condoning desperado killings
Darwin never seized this prize
Controlling levels of extinction
Darwin never seized this prize
Condoning desperado killings
Darwin never seized this prize
Controlling levels of extinction
Darwin never seized this prize
