Are we a fantasy
Swimming in theocracy
We are far from holy
The wholeness of one
Repeat after me
We lost the key of sight
Now blind, we fear in flight
We are far from love
But silence is golden
Please observe

Fighting your empire
Defending your vampires
Far away, we're going too far
Bombing your ignorance
And feeding your insolence
Far away, we're going too far
We're going too far

If today I die
And can not deny
The life that I live for what
I say, not befit myself in time
No time to die our (?)
No structures of a pyramid
No train, horses to rise
Surmise my position
My words define
Fighting your empire
Defending your vampires
Far away, we're going too far
Bombing your ignorance
And feeding your insolence
Far away, we're going too far
We're going too far

We go forward
We go backward
Living, dying
We're dying, we're living
We're living, we're dying
We're crying, we're seeing

We're living, we're breathing
Dying, seeing

Fighting your empire
Defending your vampires
Far away, we're going too far
Bombing your ignorance
And feeding your insolence
Far away, we're going too far
We're going too far
