Where are we to go?
How can we survive?
When the falling rain seems to cease
We will all have to go

Where are we to go?
How can we survive?
When the falling rain seems to cease
We will all go

We have built our lives
Without nature in mind
So that we've become the disease
But we won't go

Those that survive
Can end with our life
Peace will be returned
We need to praise you
Peace will first be revenged

Once we used to hear
But like footsteps appear
Now we have no fear
And in turn will disappear

We have built our lives
Without nature in mind
So that we've become the disease
But we won't go

Those that survive
Can end with our life
Peace will be returned
We need to praise you
Peace will first be revenged
Revenge, revenge

When the rain washes
All the mitochondria
Try to steer your
Intentions into love

When your fears mix with
Brain wash erosions, dear
I won't be here then
You won't be here when

When the rain washes
All the mitochondria
Try to steer your
Intentions into love

When your dear mix with
Brain wash erosions, fear
I won't be here then
You won't be here when

Just watch the rain
Just watch the rain
Rain, watch the rain

Just watch the rain
Just watch the rain
Rain, watch the rain

Where do we go?
How do we meet you?
