Come lay it down, wont you,  
Come burn it down, cant you,  
Lay it down, the guns above the ground  
Come lay it down, wont you,  
Come burn it down, cant you,  
Lay it down, the guns above the ground

Nlelith is a prophet  
From the prophet came the king  
From the king came the pauper  
From the pauper came the swing  
From the swing came creation  
From creation came love,  
You dont know what this love is all about,

Praise the Lord and pass the ammunition  
Praise praise the Lord and pass the  
ammunition,  
Life affirming and our spiritual trust

Lay it down, wont you,  
Come burn it down, cant you,  
Lay it down, the guns above the ground

Nlelith is a prophet  
From the prophet came the king  
From the king came the pauper  
From the pauper came the swing  
From the swing came creation  
From creation came love,  
You dont know what this love is all about,

Praise the Lord and pass the ammunition  
Praise praise the Lord and pass the  
ammunition,  
Praise the Lord and pass the ammunition  
Praise praise the Lord and pass the  
ammunition,

Buddha, Mohammad and the Hindu  
Lost 100  
Praise the Lord and pass the ammunition

Praise praise the Lord and pass the  
ammunition,  
People still ask when will Armageddon begin,

Dragging my feet any longer through the  
pussy litter,  
Dragging my feet any longer through the  
pussy litter,  
Dragging my feet any longer through the  
pussy litter,

Nlelith is a prophet  
From the prophet came the king  
From the king came the pauper  
From the pauper came the swing  
From the swing came creation  
From creation came love,  
You dont know what this love is all about,

Praise the Lord and pass the ammunition  
Praise praise the Lord and pass the  
ammunition,  
Praise the Lord and pass the ammunition  
Praise praise the Lord and pass the  
ammunition,

Do we ever have enough,  
When we see that blue dove  
Do we ever have enough  
When we see that blue dove  
We want to go where no ones been  
No ones been

Come lay it down, wont you,  
Come burn it down, cant you,  
Lay it down, the guns above the ground  
Wont you.
