They say women cry when walls retire  
They say that men die when walls retire  
When walls retire

Unconventional  
Deconstructive conversations  
(Teach us how to eat)  
I will never let you go

Conversational  
Reconstructive demonstrations  
(Teach us how to speak)  
Why, confess the final blow

Teach us how to eat  
From your broken hands  
'Cause nothing seems to grow  
Teach us how to speak  
The language of your only dreams

No one seems to understand that  
We are falling to our knees

I forgot to pray  
You forgot to say please  
(Kill me)  
I never let you go

I forgot to go  
You forgot to know me  
(Teach us how to speak)  
Why confess the final blow

Teach us how to eat  
From your broken hands  
'Cause nothing seems to grow  
Teach us how to speak  
The language of your only dreams

No one seems to understand that  
We are falling to our knees  
Blindness serves not god nor man

So we are falling into disease

We're falling into disease  
I'm crawling, I'm crawling  
I'm crawling, I'm crawling  
I'm crawling, I'm crawling  
I'm crawling, I'm crawling

We're falling, we're falling  
We're falling, we're falling  
We're falling into, into disease  
Disease, disease, disease  
Disease, disease, disease  
Disease, disease, disease  
Disease, disease

We've fallen, we've fallen  
We've fallen, we've fallen  
We've fallen, we've fallen  
We've fallen, we've fallen

No one seems to understand that  
We are falling to our knees  
Blindness serves not god nor man  
So we are falling into disease

Disease
