### "The Charade"

I do believe  
You were strong in forming violence!  
We were strong performing silence  
I do believe  
You were strong in forming violence!  
We were strong performing silence

We are deceived,  
All the toys of our convenience,  
Opening our hearts to the brilliance  
We are deceived,  
All the toys of our convenience,  
Opening our hearts to the brilliance

Love is strong,  
Hearing as loud as gunfire away,  
Never wrong,  
Constantly dreaming of another way.  
If love is wrong,  
Go ahead and end the world with your charades.  
Never wrong,  
Constantly dreaming of another way.

I do believe  
You were strong in forming violence!  
We were strong performing silence  
I do believe  
You were strong in forming violence!  
We were strong performing silence

We are deceived,  
All the toys of our convenience,  
Opening our hearts to the brilliance  
We are deceived,  
All the toys of our convenience,  
Opening our hearts to the brilliance

Love is strong,  
Hearing as loud as gunfire away,  
Never wrong,

Constantly dreaming of another way  
If love is wrong,  
Go ahead and end the world with your charades.  
Never wrong,  
Constantly dreaming of another, another, 'nother,  
'nother d-d-d-d-d-d-d-d-day

Find me a red bag:  
One without a tag,  
Hope that you are near,  
Valiantly appear,  
Find me a red bag

Na, na, na, na, na, na, na, na, na, na, na, na,  
Na, na, na, na, na, na,  
Na, na, na, na, na, na, na, na, na, na, na, na,  
Na, na, na, na, na, na,

Love is strong,  
Hearing as loud as gunfire away,  
Never wrong,  
Constantly dreaming of another way  
If love is wrong,  
Go ahead and end the world with its charades  
Never wrong,  
Constantly dreaming of another, another, 'nother,  
'nother d-d-d-d-d-d-d-d-day

Find me a red bag:  
One without a tag,  
Hope that you are near:  
Valiantly appear,  
Find me a red bag
