Nothing like a tyrant's gratitude
His kindness knows the words unspoken
His Highness knows crash you cry
He feels you in his bones

Nothing like a tyrant's gratitude
His silence may seem pretty chilling
His violence may seem awfully cool
But oh, you're such a foe

Nothing like a tyrant's gratitude
Nothing like a tyrant's gratitude
He wants to make a show of you

When you belch your little truth
Nothing like a tyrant's gratitude
When you belch your little truth
Nothing like a tyrant's gratitude

Nothing like a tyrant's gratitude

His Majesty may send his minion
His Majesty's not being rude
And oh what other beast would let his eagle feed on
you
Nothing like a tyrant's gratitude

His Holiness would ignore your secret
He feels you from his throne you fool
And wants to fill his bones with you

Nothing like a tyrant's gratitude
Nothing like a tyrant's gratitude
Nothing like a tyrant's gratitude
Nothing like a tyrant's gratitude

([check it out])

But hide, his Highness can't hide that stupid pride
And how you wounded him
The way you belch your little truth
Nothing like a tyrant's gratitude

Hide, his Highness can't hide
His Highness can't hide the stupid pride
Belch your little truth
Nothing like a tyrant's gratitude

When you belch your little truth
Nothing like a tyrant's gratitude
When you belch your little truth
Nothing like a tyrant's gratitude

When you belch your little truth
Nothing like a tyrant's gratitude
When you belch your little truth
Nothing like a tyrant's gratitude

Nothing like a tyrant's gratitude
Nothing like a tyrant's gratitude
Nothing like a tyrant's gratitude
