Weave on sisters of the night
On your loom of pain, try to stitch the darkness through the light
Weave on property and crime, the wars and waste
Gives our souls a break from the hunger, for the profits and the saints

Stitch it on, the weapons drawn and children's playing
And the fathers found
In unmarked graves with your fingers pale and numb
Just weave

Oh, you sisters weave on
Let the blood run through your thread
Oh, you sisters weave on
Weave your stitching purple, blue and red
Oh, you sisters weave on
Let the blood run through your thread
Just you still weave on

Sewn on sorry sons of saint
Preaching salvation, while we fall with such amazing grace
Sewn on love of money, love of race
Disrespect of country and neighbor's neighbored in our hate
Stitch it on, the bothers gone and lives they gave to the foreign graves
With your fingers pale and numb
Just braid, just braid

Oh, you sisters weave on
Let the blood run through your thread
Oh, you sisters weave on
Weave your stitching purple, blue and red
Oh, you sisters weave on
Let the blood run through your thread
Oh, you sisters weave on
Weave your stitching purple, blue and red
Oh, you sisters weave on
Let the blood run through your thread
Oh, you sisters weave on
Weave your stitching purple, blue and red
Just you sisters weave on, let the blood run through your thread
Oh you sisters just weave ooon, ooon, ooon!

These are the plans, the words we live for, minds arranged
You there we cherish pain with growth from this place ends speedily
Lest the harsh, smite your mind, I'll sow in madness

How dare you just reduce to cowardice
I'm ready to endure with him whatever must be
I am ready to endure with him whatever must be

Oh, you sisters weave on
Let the blood run through your thread
Oh, you sisters weave on
Weave your stitching purple, blue and red
Oh, you sisters weave on
Let the blood run through your thread
Oh, you sisters weave on
Weave your stitching purple, blue and red
Just you sisters weave on, let the blood run through your thread
Oh you sisters just weave oon,
Ooon, ooon, ooon!
