Dreamed I was an eskimo
Frozen wind began to blow

My mama cried
My mama cried
Nanook, a-no-no
Nanook, a-no-no
Don't be a naughty eskimo

Watch out where the huskies go, and don't you eat that
yellow snow!
Watch out where the huskies go, and don't you eat that
yellow snow!

Right about that time people
A fur-trapper who was strictly from commercial
Had the unmitigated audacity to jump up from behind
my igloo (peekaboo)
And he started into whippin on my favorite baby seal
with a lead-filled snowshoe
That got me just about as evil as an eskimo boy can be
(fido!)
So I bent down and I reached down, and I scooped
down and I gathered up a generous mitten-ful of the
deadly yellow snow.

The deadly yellow snow, from right there where the
huskies go!

Whereupon I proceeded to take that mittenful of the
deadly yellow snow crystals
And rub it all into his beady little eyes with a vigorous
circular motion hitherto unknown to the people of this
area
But destined to take the place of the mudshark in your
mythology
Here it goes, the circular motion... rub it!

And then...
In a fit of anger...
I pounced...

I pounced...
And I pounced again.

Great googly moogly!

And he was very upset, as you can understand
And rightly so, because the deadly yellow snow
crystals had deprived him of his sight
And he stood up, and he looked around, and he said:
"Well, I can't see"
"Oh, no! I can't see"

He took a dog-doo snow cone and stuffed it in my right
eye
He took a dog-doo snow cone and stuffed it in my
other eye
And the husky wee-wee.. I mean the doggie wee-wee
has blinded me, and I can't see temporarily.
