Well the roof is leaking and the rains fallin' on my
Head...
It's alright
Well the roof is leaking and the rain is fallin' on my
Head... it's alright
Well I cried so hard teardrops fell on my bed... it's
Alright
You know my baby packed her clothes and left on the
Midnight train... it's alright
Well this empty room is driving me insane... it's
Alright

You know I'm sittin' here drinkin' girl thinkin' what
I'm gonna do... it's alright
Well I'm sittin' here drinkin' child thinkin' what I'm
Gonna do... it's alright
Well the roof is leakin' and the rain is coming

Thru... it's alright

(Chorus)
Well I went to my buddy gave me (tip, tip, tip)(BG)
Said your baby learn to love said I'm (hip, hip, hip)(BG)
Said mind your business boy button your (lip, lip, lip)
(BG)
Don't half to tell me girl gave me (slip, slip, slip)(BG)

Ya know the roof is leakin' the rains falling on my
Head... it's alright
Well I cried so hard the teardrops fell on my
Bed... it's alright

(CHORUS)

Well I cried so hard the teardrops fell on my
Bed... it's alright... (repeat(3)times
