Peter And The Wolf-Do What

If you care to resign
From my life you will be blind
Not knowing where to turn
From these thoughts you will be banned

If I leave on a night train
Would you run to discover
Where I'd make my new venture
Would you punish your revolver
As you know
I had to leave my house and home
Many years
Now it's time to catch a ride

If you care to resign
From this life you will be blind
Not knowing where to turn
From these thoughts you will be banned

Yes it pains me to say
You never loved me anyway

Cause you bruised me with conflict
As you land for a better fix
No control over temper fits
As I try to make sense of it
As you know
I had to leave my house and home
Many years
Now it's time to catch a ride

If you care to resign
From this life you will be blind
Not knowing where to turn
From these thoughts you will be banned

Yes it pains me to say
You never loved me anyway

As you know
I had to leave my house and home
Many years
Now it's time to catch a ride
I'm not coming home x 3
I'm not coming home, no, home, no
