Say goodbye
When I can barely say goodnight
If I can hardly take my eyes from yours
How far can I go?

Walk away
The thought would never cross my mind
I couldn't turn my back on Spring or Fall
Your smile least of all

When I say always
I mean forever
I trust tomorrow as much as today
I am not afraid to say I love you
and I promise you
I'll never say goodbye

We're dancers
On a crowded floor
while other dancers leave from song to song
Our music goes on

On and on
And if I never leave your arms
I really would have traveled everywhere
For my world is there

When I say always
I mean forever
I trust tomorrow as much today
I am not afraid to say I love you
And I promise you
I'll never say goodbye
