Verse:

I've got my boat shoes on and my captains hat.....
my alligator shirt and my green plaid pants.
Martini in hand, shaken not stirred.....
look out ma, ma cause I think I heard.....I'm no James
Bond.....
but then take a good look around.

All I want is what I don't got.....
a great big yacht.....don't think I'm asking a lot.
I wanna sail around without any cares.....instead I'm
stuck here.....
standing on the pier.....waiting.....for my boat to
come in.

Chorus:

I wanna be a millionaire.....cause I think I could like it!
I wanna stuff a million dollars.....down in my
underwear.....oh yea!
I wanna be a millionaire.....cause I think I could like
it.....and
you know some day.....I'll probably give it all away.

Verse:

You've heard the one who dies with the most toys
wins.....
well I'm shooting for last just barley breakin' a grin.
I'll probably be around, just long enough.....to see my
number hit,
for a twelve way split, ya know.....yea I thing you
know.....(Chorus)

Verse:

You know I wasn't born with a silver spoon.....
but that doesn't mean you have to give me the moon.
Sometimes I feel it just isn't enough.....
to give a shi..., or to have shi..... luck.....You know.....
Yea, I think you know!

I wanna be a millionaire.....cause I think I could like it!
I wanna stuff a million dollars.....down in my
underwear.....oh yea!
I wanna be a millionaire.....cause I think I could like
it.....
and you know some day.....I'll probably give it all
away.

I wanna be a millionaire.....cause I think I could like it!
I wanna stuff that million dollars, right down in my
underwear....
oh yea!
I wanna be a millionaire.....cause I think I could like
it.....
and you know some day.....I'll probably give it all
away.....
yea, yea you know someday.....I'll probably give it all
away.....
woohooo you know some day....I'll probable give it all
away.....

Not!
