It's a million miles  
A giant place  
Like a work of art  
Amazing, amazing

Fast cars that cannot move  
Die for a parking space  
Stuck on a carousel  
Crazy, it's crazy

When you laugh  
Till you cry  
When you laugh

(Chorus)  
All's well here in El Norte  
Who'd have thought it could be like this  
Big money for a job well done  
I swear to you  
I got a ride from a coyote  
Who sells high on the black market

So your loved one can be home soon  
So your loved one can be home soon

Fine women with dress-up clothes  
Say and do anything  
Wake up to work the day  
Tousled and tangled

Rub shoulders with the downtown gang  
Where the Virgin lives  
Just like a movie star  
Hopeful and graceful

When she smiles  
Till you laugh  
Till you cry

(Repeat Chorus)

Maybe I don't understand it  
Maybe I won't try  
But nobody seems too satisfied

(Repeat Chorus)
