..his face some pretty faster
Some stay longer and disappear
Some get weak and other stronger
Stay discover the true love need
Some of voice get high but some fall deeper
Just fall deeper, can't get ..
I've reached .. and I a leader and do I follow damn
down
So you gotta look back if you wanna be forward
Ever step I took was always paid with gold
.. to watch your friends grow old
Hey, you know ,you can't stay young forever.

Can't stay young forever
Can't stay young forever
Some do hurt and other feelin when often ..
Is Ifet behind, some forgive and other ..to every
heartbreak everytime
Take a look back if you wanna be forward
Ever step I took was always paid with gold
.. to watch your friends grow old
Hey, you know ,you can't stay young forever.
Can't stay young forever
You can't stay young forever.

Everybody is .. like the other
Even though we try we can't stay young forever
.. to watch your friends grow old
Hey, you know ,you can't stay young forever.

In the .. I made wages .. cross that eye
After crisis and suffer failures two years later stars
around

You can't stay young forever
can't stay young forever.
You can't stay young forever
can't stay young forever
You can't stay young, you can't stay young
You can't stay young, you can't stay young
We can't stay young forever

We can't stay young forever
You can't stay young forever.
