(Brett James/Troy Verges)

I graduated on May 13 thew my cap in the air  
Had too much to drink  
Told everybody that we'd stay friends forever  
Well, it was 3 A.M. when she drove me home  
We were a couple from that night on  
Steamin' up windows and spending every minute  
together

Oh, me and Amy makin' out down by the water  
Radio blarin' both of us swearin'  
Nothin' was gonna change  
We were young and lazy  
I was soakin' up that sweet summer  
Spendin' my days in a beautiful haze  
And all of my nights  
Chasin' Amy

Well, it was late-night pizzas and baseball games  
Hangin' out at the bowlin' lanes  
Sneakin' into the movies on Friday night  
Oh, I was always tryin' to seal one more kiss  
She had somethin' I couldn't resist  
Fireworks shootin' off between us like the fourth of July

Oh, me and Amy makin' out down by the water  
Radio blarin' both of us swearin'  
Nothin' was gonna change  
We were young and lazy  
I was soakin' up that sweet summer  
Spendin' my days in a beautiful haze  
And all of my nights  
Chasin' Amy

Oh, my love chasin' Amy

Well, I guess there ain't no endless summer  
Life's all about change  
I haven't seen her since that September  
But sometimes I still think about....

...Me and Amy makin' out down by the water  
Radio blarin' both of us swearin'  
Nothin' was gonna change  
We were young and lazy  
I was soakin' up that sweet summer  
Spendin' my days in a beautiful haze  
And all of my nights  
Chasin' Amy

Oh, my love chasin' Amy  
And I still remember chasin' Amy
