If they knew right from the start  
That I will break your heart  
Tell me why they're acting so surprise  
Giving you the pity eyes  
And when I'm walking by  
No longer you and I  
They all stop and stare at me  
The way they do  
It's because of you

I never had a chance  
You were the favorite in a bad romance  
I'm just a gypsy girl,  
Who danced into your small town world  
Oh, they had a lot to say  
I'm banned from Santa Fe

You said your daddy sighed  
Told me your momma cried  
How could anyone ever leave a guy like you  
And what's a girl to do  
There's rumors I was cheating  
And stories you were leaving  
Long before the morning I said goodbye  
You loved to live a lie

I never had a chance  
You were the favorite in a bad romance  
I'm just a gypsy girl,  
Who danced into your small town world  
Oh, they had a lot to say  
I'm banned from Santa Fe

The stars of the city sure shine like a spotlight don't  
they,  
I left it like a crime scene, how could I ever get in your  
way.

I never had a chance  
You were the favorite in a bad romance  
I'm just a gypsy girl,

Who danced into your small town world  
Oh, they had a lot to say  
I'm banned from Santa Fe

I guess they had a lot to say  
I'm banned from Santa Fe
