Red, red wine  
Go to my head  
Makes me forget that I  
Still need her so

Red, red wine  
It's up to you  
All I can do I've done  
Memories won't go  
Memories won't go

I have thoughts (I have thoughts)  
Every time (Every time)  
Thoughts of you will leave my head

I was wrong (I was wrong)  
And I find (And I find)  
Just one thing makes me forget

Red, red wine  
Stay close to me  
Don't let me be alone  
It's tearin' apart  
My blue, blue heart

I have thoughts (I have thoughts)  
Every time (Every time)  
Thoughts of you will leave my head

I was wrong (I was wrong)  
And I find (And I find)  
Just one thing makes me forget

Red, red wine  
Stay close to me  
Don't let me be alone  
It's tearin' apart  
My blue, blue heart
