(verse 1)

Your eyes, your eyes are so amazing.
One look and I'm mesmerized.
Your smile, your smile is devastating.
One glimpse and I fall apart inside.
Your touch, your touch is so appealing.
One touch and I'm flying so high.
Your words, your words are just so soothing.
Your voice takes my cares away.

(chorus)

And I must confess, that you do so much to me.
Your love, yeah it cuts right through to me.
You should know you're so amazing.
Your just so right you drive me crazy.

(verse 1)

(Chorus)

You should know you're so amazing.
Your just so right you drive me crazy.
