Relax  
It's only a ghost  
Relax  
It's only a ghost  
Relax  
Try to be it's host

Just invite it in  
Let it's game begin  
A soft embrace that you will feel within

Try to let it stay  
Make it warm and safe  
Ectoplasmatic friends are well-behaved

Relax  
It's only a ghost  
Relax  
It's only a ghost  
Relax  
Try to be it's host

Be sure to spend the night  
In ecstatic light  
The appearance soon will lose it's fright

If it wants to stay  
Let it have it's way  
Your image in the water slowly fades

Relax  
It's only a ghost  
Relax  
It's only a ghost

You have been lonely for years  
You have been lonely for ages  
We'll never be lonely again  
We'll never be lonely again

Relax

It's only a ghost  
Relax  
It's only a ghost  
Relax  
Relax  
Relax  
Try to be it's host
