Like a flame you touched my life  
Felt so good felt so right  
Time goes fast love grows slow  
It's so hard to let go

I'll remember, I'll remember  
Now I've got to go  
I'll remember, I'll remember  
Oh I love you so

You gave so much, didn't ask why  
I can't explain so please don't cry  
We took the chances, broke the line  
Now we're running out of time

We shot the dice  
Played the game  
Did it all for love  
Do it all again

We shot the dice  
Played the game  
Did it all for love  
Do it all again

Oh so much I want to say  
Now it's time to go away  
Now forever you're with me (yet)  
You're in my soul, I won't forget
