"God Forgives"

We're talking 'bout
Child prostitution
Kids as young as eight years old
Don't close your eyes
It ain't an illusion
We're living in a world
Without a soul

Used and abuse
Just for the money
Objects of obsession
Lust and sex
Jesus said
Suffer little children
Seems he's forgotten
Oh God what's next?

Life corrupts
It can kill you
What prince innocence
Today
Empty eyes
Show no emotion
Childhood's now
A world away

You grow up fast
Living in a ghetto
Through the tears
Learn to survive
Jesus Christ
They're only children
Is this price
To stay alive

It's the death
Of all innocence
The corruption
Os a child
In a world
Without compassion

Exploitations
Running wild

God forgives
God forgives
God forgives
Who forgives God?
